Veeam has no obligation to provide support, maintain or provide any assistance regarding any Evaluation Licenses. In no event will Veeam be liable for any damages, for any claim or cause for any damages of any kind, including, without limitation, any direct, indirect, special, incidental, exemplary, statutory, punitive or consequential damages (including, without limitation, loss of profits, loss of use or data, damage to systems or equipment or business interruption). You are not entitled to any defense, indemnification or warranty protection for licenses granted pursuant to this section.
